

WHAT'S THE SURPRISE

Chorus ***What's the surprise you've got for me today God?
What's the special something you've got in store
for me today?
What's the surprise you've got for me today God?
I know you'll do something that I can thank you
for!***

1. Maybe I'll spot a rainbow way up in the sky,
Or perhaps I'll spy a ladybeetle resting for a while.
Whatever it is I know it will be a gift from you to me;
'Cos there's never a day that ever goes by
When you don't think of me!
2. There might be a funny moment
That makes me laugh out loud,
Or perhaps I'll feel a feeling
That makes my goose bumps rise!
Whatever it is I know it will be a gift from you to me;
'Cos there's never a day that ever goes by
When you don't think of me!
3. Maybe I'll discover something that's new to me
Or perhaps if I'm in trouble
There'll be someone to care for me.
Whatever it is I know
It will be a gift from you to me;
'Cos there's never a day that ever goes by
When you don't think of me!
